April 20th is the start of the SPRING PROMOTION for professional members. The promotion begins today and will run through May 31, thus providing chapters an extended time to recruit new members. People submitting applications for new memberships during the promotion period will receive a \$25 discount from the regular \$105 rate on national dues.

We have ongoing programs in effect for renewing members. Two-year renewals receive a 15% discount; 3-year renewals, 20%; and 5-year renewals, 30%. Chapter dues are unaffected. Senior members (age 60+, retired/disabled, and 10+ years as members (including 5+ years immediately before becoming retired/disabled) receive a 50% discount on both national and chapter dues.
