August 29th – Pick-n-Save on Green Bay Rd, Neenah – Brat Fry

Website redesign is in process for September/October meeting. Please send suggestions to Maggie Beard at magbear@gmail.com.

SIG (Special Interest Groups) will begin starting in September – please send suggested topics to Chris Nimmer at cnimmer75@sbcglobal.net.

Member Survey – 176 survey's sent and 72 received. The results were reviewed by the board during the June 17th board meeting.

Focus will be on afternoon educational sessions, evening speaker and networking opportunities as these

stood out as the most significant reasons to attend AITP events. Great suggestions for the website redesign and starting the SIG are being implemented. If you would like a copy of the survey results, please email steve@bts-wi.com.
